### Bogs Plimsoll Tall Rain Boot \$134.95

Scuba divers wear neoprene wetsuits to stay dry, so why not rock the same material on your feet?! These boots feature a rubber insole, cut-outs, and a neoprene upper with a patterned lining. Uh-dorable! And just in time for the rainy season, Bogs is offering FFF readers a 20% discount on the boots from Oct. 23-30 when you use the code BogsPlimsoll.
