

## STYLISH COLD WEATHER BOOTS- BOGS AND SOREL CHICIFY THE CHILL FACTOR

Traction + Style +  
Function = Solved

I always joke that I couldn't live full-time in an environment where my

shoe choice is based on traction over style- no matter how gorgeous the outdoors may be. So, I was super psyched to road test some stylish winter boot contenders, particularly when I was away having fun in the snowy mountains!

Looking fashionable is not always an easy task when it comes to frigid temperatures, but it is possible to find cold weather boots that don't put function over fashion.

**MORE: [Snowboots to Stay in Style](#) and [UGG & Sheepskin Shopping Guide](#)**

Well, I've met my match in these two styles of rather stylish cold weather boots that have enough weather-friendly bells and whistles to withstand the super cold Wyoming winter of my vacation home and appeal to my New York street style.

The **Bogs McKenna Boot** have an on trend classic Equestrian vibe
