

CURB APPEAL
Little updates,
big difference!

In the yard how does your garden grow?

Three expert gardeners give us the dirt on their favorite ways to make their yards thrive.

Lizita Ly plings about all things urban and organic at gardenberry.com. Her garden in Los Angeles is home to more than 100 plants and veggies, not even a chicken coop!

weeder

"This simple, hand-held tool makes it easy to dig down under the ground to pull out weeds and their roots."
Crabgrass weeder
at www.gardensupply.com
\$25, www.homedepot.com

weed control

"To get rid of weeds, you have to get to the root. This natural, organic fertilizer feeds the plants and kills weeds by blocking their ability to absorb water."
Bio-tone
at www.gardensupply.com
\$15, www.homedepot.com

fertilizer

"This fertilizer is rich in nutrients. It's a water-soluble fertilizer that's easy to use. It's also a natural fertilizer that's safe for your plants."
Espoma Bio-tone
at www.gardensupply.com
\$15, www.homedepot.com

compost sprayer

"This is the best way to water your plants. It's a natural fertilizer that's easy to use. It's also a natural fertilizer that's safe for your plants."
Compost Sprayer
at www.gardensupply.com
\$15, www.homedepot.com

work gear

"These boots are made of leather and are very durable. They're also very comfortable and easy to wear. They're also a great choice for anyone who works in the garden."
Work Boots

\$15, www.homedepot.com

ruby ball clematis

"I love the ruby ball clematis. It's a beautiful, purple flower that's easy to grow. It's also a natural fertilizer that's safe for your plants."
Ruby Ball Clematis
at www.gardensupply.com
\$15, www.homedepot.com

favorite herb

"I love growing basil. It's a great herb for cooking and it's also a natural fertilizer that's safe for your plants."
Basil
at www.gardensupply.com
\$15, www.homedepot.com

pruning tool

"This is a great tool for pruning your plants. It's a natural fertilizer that's safe for your plants."
Pruning Shears
at www.gardensupply.com
\$15, www.homedepot.com

compost bin

"This is a great way to recycle your garden waste. It's a natural fertilizer that's safe for your plants."
Compost Bin
at www.gardensupply.com
\$15, www.homedepot.com

pest control

"This is a great way to control pests in your garden. It's a natural fertilizer that's safe for your plants."
