(800) 684-7486; [otistec.com](http://otistec.com)

The Otis Elite Cleaning System (item No. 1000) includes more than 40 cleaning components and is designed to maintain all rifles and pistols .17 to .50 caliber, shotguns .410 to 10 gauge, and all in-line muzzleloaders. The Elite also includes the entire Otis line of bronze bore and chamber cleaning brushes, a detailed gun maintenance guide and a lifetime manufacturer warranty. **(\$149.99)**

## MAGELLAN EXPLORIST 710

CONTACT MAGELLAN GPS PRODUCTS AT:  
(408) 615-5100; [magellangps.com](http://magellangps.com)

Rugged and waterproof, the eXplorist 710 handheld GPS combines high sensitivity GPS reception with easy to read mapping and accurate navigation. Pre-loaded maps include Summit Series USA 1:24K Topo Maps and City Series USA Road Maps with Spoken Driving Directions. The 3.2-megapixel camera, microphone and speaker enable outdoor enthusiasts to record images and voice notes. The eXplorist 710 combines a touch screen with the reliability of two customizable buttons. **(\$549.99)**

## LIGHTFIELD HYBRED MAG-20 SLUG

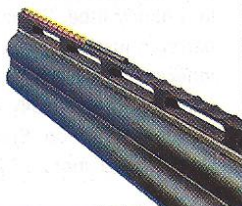

CONTACT LIGHTFIELD AMMUNITION AT:  
(800) 708-2850; [lightfieldslugs.com](http://lightfieldslugs.com)

The Lightfield Hybred Mag-20 slug fills the entire bore with a thin, two-piece plastic sabot gripping the rifling and imparting stabilizing spin on the slug as it travels downrange. At ignition, the soft, all-lead Lightfield Hybred slug swells to fill any bore, making it accurate in virtually all guns. **(\$18/five-count box)**

## EASYHIT SSB 3MM SIGHT

CONTACT EASYHIT INC. AT:  
[info@easyhit.com](mailto:info@easyhit.com); [easyhit.com](http://easyhit.com)

The EasyHit SSB (Sport Shooting Bead) is a low-profile fiber-optic sighting system that attaches by an adhesive strip on a shotgun's ventilated or solid rib, or a flat surface. The hollow tube design will help shooters to use both eyes when acquiring the sight picture. The tube is 3mm in diameter and available in red or green. **(\$25)**

## OUTDOOR EDGE SKIN N' BONE COMBO

CONTACT OUTDOOR EDGE CUTLERY CORP. AT:  
(800) 447-3343; [outdooredge.com](http://outdooredge.com)

The lightweight, four-piece Skin n' Bone combo (Model SN-1C) is ideal for skinning and deboning big game. The kit includes a 4.8-inch boning knife, a 4¼-inch gut-hook skinner and a carbide sharpener. The nylon pouch converts to a belt scabbard with snap-in knife sheath for easy removal and cleaning. **(\$45.95)**

## TRI-TRONICS BARK LIMITER G3

CONTACT TRI-TRONICS AT:  
(800) 456-4343; [tritrronics.com](http://tritrronics.com)

The Bark Limiter G3's design has a high-intensity stimulation that will deter even the most stubborn dogs from barking. Improvements to the electronics have increased battery life, and the sensitivity of the enhanced vibration sensor offers a more consistent delivery of stimulation. The Lexan casing can withstand more wear and tear and provides solid waterproof protection. **(\$99)**
