BOGS FOOTWEAR
BLAZE 1000 BOOTS

BOGSFOOTWEAR.COM | \$140

The Bogs Blaze 1000 boot redefines warmth and comfort. A 1,000-gram Thinsulate liner locks in heat to minus 65 degrees while providing maximum breathability. Natural hand-lasted rubber and a four-way-stretch outer shell offer a snug fit. Constructed with firm-gripping, self-cleaning lugs, the outsole is designed to release mud and crud to always give you a sure step.

MEMBER REVIEW

"I hunt in all kinds of weather. I'm 80 years old and require a good boot for warmth; the Blaze 1000 is an excellent boot, and the tread design works very well in snow and wet conditions. It's a great boot for the money."

DARREL GRAVITT/PORT BYRON, IL
